FUJAIRAH

City of Heritage

Fujaireh is an emirate on the east coast of the United Arab Emirates, lying along the Gulf of Oman. It's known for its beaches and the Hajar Mountains, which run through much of the emirate.

It is extremely well known for its warm hospitality and rich cultural heritage, intriguing deserts, beautiful beaches and resorts, luxurious hotels and shopping malls, fascinating heritage attractions and a thriving community.
Khor Fakkan is a town on the Gulf of Oman, in the United Arab Emirates. It centers on Khor Fakkan Bay, home to the curved Khor Fakkan Beach & Corniche and a deep-sea port. A promenade runs along the beachfront, against the backdrop of the dramatic Hajar Mountains. Archaeological sites include ancient graves and a ruined Portuguese fort. West of town is Wadi Wurayah, a biodiverse mountain area with waterfalls and natural pools.
AL DANA VILLAS

The Project (Dana Island) consists of 308 units of luxury villas and a total area of approximately 1 million square feet with properties ranging from three to four bedrooms. The project is being built close to the coast of Dibba and offers a variety of vital facilities to ensure the highest degree of prosperity to the owners, including green spaces and parks, a yacht club and providing all hotel services and amenities to the residents of this development.

The project is located in the Gulf of Oman and specifically in the Sharm area, which is characterized by the pure blue sea waters and many species of fish and turtles. The island is about 4 km away from other hotels and resorts, including Miramar hotel, Rotana Hotel, Le Meridien Hotel, Fujairah & khorfakkan. Directly opposite the project stands the palace of HH Sheikh Mohammed bin Zayed Al Nahyan, Crown Prince of Abu Dhabi as well as the palace of HH Sheikh Hamad Al Sharqi, Ruler of The Emirate of Fujairah.
There are 7 types of villas which are being developed in the Al Dana island. 22 units are ready for sale in affordable prices as a initiative to bring the development to the market for the peoples to recognize the diverse architecture, luxury and the location the villas are built on the blue water to make it as a iconic investment.

The development is surrounded by and easy access to Masjid, schools, supermarkets, restaurants, resorts, Hotels and historical places, mountain drives, tunnels etc.
